Dear Residents/Families/Friends,

As Thanksgiving quickly approaches this week, we want to take a moment to thank you for your continued support throughout this pandemic. Our facility has faced unprecedented challenges over the last eight months and we appreciate your patience and understanding as we do our best to ensure your loved ones remain safe.

We are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with a wonderful Thanksgiving. And while the recent rise in COVID-19 cases all over the country has affected how we all are celebrating this holiday; our facility will be serving a traditional Thanksgiving meal to the residents. Also, as a reminder, visitations for the holiday are as follows:

Unfortunately, due to a recent positive employee, we cannot allow face to face visits, however you can do a window visit at any time. Please call the facility to let us know that you will be coming for a window visit at least 2 hours prior to your estimated arrival time. As a reminder, our total number of cases to date are as follows: 1 resident and 14 staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19.
