

# Prince George Healthcare Center

## WEEKLY UPDATE

7-2-2020

Dear Residents and Families/Representatives,

As of today, Prince George Healthcare has 3 confirmed employee cases, and 0 confirmed resident cases of COVID-19. We continue to follow the recommendations of our health officials and practice the enhanced safety measures that are listed on our website and previous communications.

We know the past few months have been a big adjustment for everyone, especially our residents. While our staff is working is very hard to make sure they are safe, we also want to make sure they are having some fun! Our residents are enjoying hallway activities, especially bingo. Please don't forget about our two window visitation stations. Call today to set your visitation time up.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly 843-546-6101.

Sincerely,

*Helen Cribb*
